

Affidavit of Intent to Compete for NW Section Slot

SHOOTER: You must complete this form, secure your Club President's endorsement, and mail to the Section Coordinator to be considered for a Section Nationals Slot. If we do not have a completed Affidavit of Intent on file, you will not be contacted regarding, nor offered, a Slot, regardless of your interest therein or performance in the Slots Series.

By submitting this request, you attest that you will use any Slot(s) that may be earned by you, and that you have the financial wherewithal to attend the Nationals of your choice. Remember that if you balk or fail to use your Slot, another Section member misses out on their chance to go. Slots are not transferrable (no, you cannot accept one for, or pass yours off to, your buddy!) -- Unused Slots must be returned to the Section Coordinator. Send your completed and endorsed Affidavit to:
